

Grow

Your Bottom Line

with GGP savings programs

Geauga Growth Partnership's goal is to make your business more profitable. By building collaborations with suppliers, GGP connects you with resources that can save you money on Healthcare, Workers' Compensation plans, Lighting, Energy, and other Supply Chain needs.

LED Lighting

The GGP/Shepherd LED Lighting Program may cut your lighting costs by up to 50% by transitioning to new LED lighting. Have lighting installed with no up-front costs, remain cash flow positive, and once the project is paid off, all the savings go right to the bottom line. Contact Shepherd Lighting Solutions to set up a free consultation.
