SUMMER INTERNSHIP PROGRAM 2019 APPLICATION PACKET

Consent and Agreement of Parent/Guardian and Intern Applicant

I, _____ (Parent or Guardian), give my permission for _____ (Applicant's name) to participate in an internship with a Geauga County employer during the summer of 2019. If an internship is offered and accepted, I undertake to comply with the terms of the internship and to assist the Applicant in meeting the internship's expectation of him/her.

The Partnership's intern program offers students who reside in Geauga County and attend junior or senior high school, (public, private or home schooled), the opportunity to learn workplace skills and earn wages. The program is designed to increase the workplace readiness of graduates and to increase the likelihood that graduates will find jobs in Geauga County when their education is completed.

I understand that the Geauga Growth Partnership's Internship Program is designed to facilitate an actual workplace experience for the Applicant and that employment and supervision of the Applicant will be by the business participant (Employer) and not by the Partnership.

This Parent/Guardian and Intern Applicant Consent and Agreement is an essential part of the internship. It is intended to state the expectations an Intern's Employer has for the intern and to advance the purposes of the Partnership's Internship Program. In signing this Agreement, both the Applicant and the Applicant's parent or guardian acknowledge these expectations and purposes and agree that the Internship may be revoked at any time for failure to comply with the conditions of the internship, for behavior inconsistent with the expectations or purposes of the internship, or at the request of the employer.

General expectations:

- The Intern shall adhere to all workplace regulations, including health and safety rules of the Employer and to the conditions of the Internship.
- The Intern shall notify his/her supervisor and, if unable to resolve, the Geauga Growth Partnership of any concerns or problems that may occur during or related to the Internship.

Safety

- The Intern shall report all workplace injuries to the internship supervisor immediately and shall submit any required accident or injury report to the Employer.

Professionalism:

- The Intern is expected to be on time and to fulfill his/her assigned work schedule. The Intern must follow their employer's policies in the event of absence, including absence because of illness or injury.
- The Intern is expected to show appropriate respect for others and for himself/herself and to exhibit polite behavior at all times.
- The Intern is expected to dress appropriately for his/her workplace situation.
- The Intern is expected to treat all business related operations and communications in the workplace as confidential.

Intern Applicant Agreement & Signature:

I have reviewed the APPLICATION PACKET and agree to adhere to all requirements including the eligibility and participant requirements listed. I understand that the purpose of the Internship is to provide me with real-world experience in the workplace so that I am better prepared for future employment. I also understand that the benefits I receive from this experience will be in direct proportion to how much I put into it and how receptive I am to learning new skills and to dealing with new people and fellow workers.

In order to achieve this purpose and these benefits, I will adhere to the responsibilities associated with the Internship, and I commit fully to doing my best to meet and exceed its expectations.

I agree to work hard to complete the Internship to the satisfaction of my Employer and myself. I submit this application and the attached resume and documents for an internship with a Geauga County employer during the summer of 2019. I agree to the conditions for the internship and understand that, if granted, it may be revoked for failure to comply with the conditions of the internship, for behavior inconsistent with the expectations of the internship, or at the request of the employer.
