

KIIMBERLY DYER
 PROFESSIONAL EOS IMPLEMENTER™
 KOLBE CERTIFIED™ CONSULTANT

As a Professional EOS Implementer, Kimberly helps entrepreneurs and leadership teams continuously improve every aspect of running their business. In addition, Kimberly is a Kolbe Certified Consultant to help companies identify people's natural talents and utilize those talents productively.

If you are an owner, leader or manager of a business who wants to see your company consistently run better, increase profitability, grow faster and make transitions seamless, Kimberly and EOS® can help you clarify, simplify and achieve your vision.

Kimberly and the CultureShoc team are based at the Traction Leadership Center, a high-end hub and meeting space for business leaders. For more information, visit www.cultureshoc.com.

FOR BUSINESS LEADERS: THE EOS® WORKSHOP

FRIDAY, JUNE 14 AT 8AM-9:30AM

GEAUGA GROWTH PARTNERSHIP | 12373 KINSMAN RD., NEWBURY

**Are you running your business or is it running you?
 It's time to gain real traction in your business.**

Kimberly will take a deep dive into EOS®— the Entrepreneurial Operating System as outlined in the bestselling book *Traction* by Gino Wickman. Learn how to strengthen Six Key Components™ of your organization that will give you and your leadership team more focus, more growth, and more enjoyment. Based on years of real-world implementation in thousands of companies, EOS is a practical method to get more of what you want from your business.
