

Bainbridge Township, Geauga County

Department Operations

Bainbridge Township Fiscal, Zoning and Service Department offices are closed to walk-in business. Essential meetings are available by appointment only and can be scheduled by contacting the respective office. Proper social distancing will be followed.

Our first responders are vigilant in serving our community and maintaining a protocol that, as always, accentuates safety.

Public and constituent Communications

Bainbridge Township has placed information on our website www.bainbridgetwp.com. Our police and fire departments have put certain information on their Facebook pages for people who may find themselves in need. A notice has been placed on the outer doors of our departments instructing that the offices are closed to walk-in business and information how to contact personnel.

Update on any permitting processes for needed local government permits by local business.

The Bainbridge Township zoning office is open for business and plans to remain so as long as the zoning staff is healthy.

In order to continue to be of service to the Bainbridge Township stakeholders in a manner that protects Bainbridge Township's residents, businesses, and zoning staff, the zoning department has implemented safety protocols in line with what is being suggested by the experts in the battle against the COVID-19 pandemic. We are available via telephone and e-mail and expect in the near future to be able to conference through "Zoom".

Zoning applications are still being processed, permits issued questions answered and issues addressed. **Specifically, a table is located just outside the office door where applications are available to fill out/drop off. Also, there is a drop box in the lobby of the Town Hall entrance.** As of this week (4/6/2020), other agencies involved with zoning remain open and are using similar safety measures as Bainbridge.

Stay well!
