

Troy Township, Geauga County

We are mainly following advice given to us. Trustee meetings are held once a month. They are kept very short and to the point.

All zoning meetings are cancelled until further notice. There is nothing pending. The zoning inspector is available by appointment only.

The Troy Township Community House is closed.

The Fire Department is staffed 9 hours a day. We are watching their calls closely. If the calls increase due to the virus, we will consider increasing the hours.
