

Get Reimbursed to Train Your Employees!

Does your business have training needs? Ohio Means Jobs - Geauga County's reimbursement program – ***Incumbent Worker Training*** (IWT) – will pay to train your employees! IWT reimburses employers to upgrade skills of current eligible employees.

Gauga employers have received over **\$43,000** in training reimbursements! Geauga employees upgraded their skills in areas such as Arboriculture, Landscaping, Leadership & Management (project management, new supervisor training, interviewing skills & time management) and more!

This program considers the unique skill sets required for your company.

Funding is available, so why not apply?

Requirements for Application Include:

- Address strategy to retain employees, or increase skill set, and/or business growth
 - Be operating in Geauga County
 - Have full-time employees employed at least six months
 - Employees must be trained by 3rd party training provider

For further details about the training reimbursement program, please feel free to contact me via email or at the phone number below.
