

Grow Your Business in 2024!

Sponsorships continue to be critical in affording GGP the opportunity to provide resources that allow GGP to be Geauga County's premier resource for facilitating the interactions of business, education, and government, accelerating economic growth – improving the quality of life for all Geauga residents.

We invite you to consider investing in our community as a GGP sponsor, by aligning with our nonprofit, to provide charitable recognition for your company. The earlier your commitment, the greater the marketing impact for your business.

Our Mission: To enhance the economic climate in Geauga County by attracting new business, supporting existing businesses, and preparing the workforce of the future.
